

KP-IP203P

www.kenprocctv.com | 02-2220559

Features

- ▶ H.264 compression, self-adaptive Dual-stream
- ▶ Smooth and clear Streaming media video transmission
- ▶ 3D positioning: 15 presets positions for fast viewing
- ▶ Support for cloud storage
- ▶ One key conguration through WiFi hotspot or Sound wave
- ▶ APP message notication and motion detection alerts
- ▶ Built-in Mic & Speaker and Two-way audio communication
- ▶ Free mobile cloud APP on iPhone and Android
- ▶ Max 1*128G TF card storage, loop recording.

SPECIFICATION

Model	KP-IP203P
Main processor	T20L
Image sensor	1/4" CMOS SC2145
Lens	3.6mm 1080P HD lens
View Angle	Horizontal 60°, Vertical 38°
Night vision	Dual Filter, IR-Cut, 9pcs IR Leds
Pan / Tilt	Pan: 355°, Tilt: 90°
Video compression	H.264 Dual Stream
Resolution	1920*1080 @ 15fps
Audio compression	AAC/G.711, Two-way Intercom
Network interface	1*RJ45 10M/100M Adaptive Ethernet port
WiFi & Frequency	IEEE802.11 a/b/g/n; Frequency: 2.4~ 2.4835GHz
Wireless LAN security	64/128-bit WEP/WPA-PSK /WPA2-PSK data encryption
Preset position	Phone APP: support 15 presets positions for fast viewing
Protocols	TCP/IP, HTTP, TCP, UDP, DHCP, DNS, NTP, RTSP, P2P etc
Socket	1* Micro SD Card Slot, Support Up to 128G
Alarm Notication	APP Message
Alarm Mode	Motion detection
Power Supply	DC5V / 2A
Power Consumption	<5W
Working Condition	Temperature: -10°C ~ +50°C, Humidity 10%~ 95%
